

Urology Unit (6 SW)

About Our Team

In the Urology Unit, we are flexible with scheduling for special childcare needs, religious beliefs and/or school schedules. We offer both 12-hour and 8-hour shifts. Our team members are encouraged to increase their knowledge through in-house education and training programs. We also encourage skill level advancement from unit secretary to PCT, to LPN to R.N.

New Technology

Redesigned Medical/Surgical unit with the working professional in mind.

Vital Stats

We are a 26-bed medical unit specializing in renal/dialysis patients. We receive a mix of surgical/medical patients year-round, including many diabetic and pneumonia patients.

Our Team Members

Here's what some of our team members have to say:

"Teamwork – that's what I like on our floor."

"We all take pride in our work and are proud to work on this floor."

"You never feel alone when you work as a team. St. Anthony's Hospital has been a part of my family for 25 years."

"It does make a difference where you work. We are the difference. We are a team."

"What and how we feel are important here."

"Coming to work isn't always easy, but being with our team on 6 SW makes it much easier."

"We laugh together and work hard together."

A Word from Our Manager

"Team members are a joy to work with on 6 SW. I am inspired every day by the team members when I come to work. St. Anthony's Hospital is a wonderful place to work and offers many opportunities for both professional and personal growth."
