

# Emergency Department

## About Our Team

Teamwork is the ability to work together toward a common vision. We strive to be the provider of choice in our community.

## New Technology

- Quick registration
- Cerner Millennium
- Three portable computers
- Three EKG machines
- Four crash carts and monitors by every acute bed
- Future plans to build and expand the Emergency Department into a state-of-the-art facility

## Vital Stats

- 32,000 ED visits per year
- 4:1 patient:nurse ratio
- Five-bed fast track area
- 16-bed acute care area
- A separate Psychiatric ED with eight observation beds

## Our Team Members

Our team consists of unit secretaries, EMTs, paramedics, LPNs, R.N.s, P.A.s, board-certified physicians and a separate psychiatric team.
